EPOS

C1 Series

The C1 Headset, an upgrade from the PC8, offers high-quality audio for both professional and personal use.

It features versatile USB-C, USB-A, and 3.5 mm connections, and is Chrome-certified with an intuitive in-line controller.

Enhanced from the PC 8 and PC 7 models, it supports EPOS Connect and has EU/AUS hearing protection options.

The lightweight design, adjustable headbands, and improved noise-canceling microphone ensure comfort and voice clarity.

The C1 comes in eco-friendly packaging, ideal for modern professionals and casual users seeking superior sound and comfort.
